

OM 002-2003 INTERNATIONAL BUILDING CODE

Operations Memorandum

NUMBER: 002-2003 (4220)
DATE: 1/16/2003
SUBJECT: International Building
Code

EXPIRATION DATE: 1/16/2004

1. **PURPOSE AND SCOPE.** To accept the International Building Code (IBC) as one of the nationally recognized model building codes. The International Building Code has already been adopted by some building code authorities and by several states and is in the process of replacing the three model building codes nationally recognized and currently identified in PS 4220.05.

The provisions of this OM will be incorporated in an upcoming revision to the Program Statement on Design and Construction Procedures.

2. **DIRECTIVE REFERENCED**

PS 4220.05 Design and Construction Procedures (2/15/00)

3. **ACTION.** Questions may be directed to the Central Office, Administration Division, Design and Construction Branch, at (202) 514-5942.
